Rules and regulations

I fully understand the conditions of learning an instrument. I understand that termination of lessons can only take place at the end of year or as determined by the Music School Coordinator. If it is impossible for my child to attend a private instrumental lesson, I understand that at least 24 hours advance notice must be given to the instrumental teacher directly. I am aware that the visiting Instrumental teachers depend on this income for their livelihood and should not be penalized financially because of unforeseen events, which affect student attendance. In the exceptional case of unavoidable absence, I understand that, the parent must formally apply for a make up lesson by completing a form and submitting it to the coordinator. I read and agree with the rules and regulations as written in the Music School Handbook 2010 – 2011.

Payment

- I will pay the total amount for the instrument lessons within 14 days after receiving the invoice including the administration fee.
- I hereby authorize the UWCM Music School to invoice the total amount in 9 monthly installments from October 2010 – June 2011 starting October 1st 2010. The first installment will include the administration fee.
