

# Scrapbooking workshops

we would like to invite you to join us to scrap on the 10th of July from 10:00 @ UWCM Primary school.

Natasja Verbeek from Vintage Tearooms ([www.vintagetearooms.com](http://www.vintagetearooms.com)) is coming to give us 2 classes:

**Rolled Up Album**: This album will be so cute as a give away or just to cherish yourself and give it a very special place in your home. From the outside this album looks like a beautiful handmade home decor piece while on the inside it holds your most precious pictures. We are going to use the very fresh and bright colored Garden Variety line from Cosmo Cricket. I will teach you how to make some lovely paper flowers to use and many other projects to come.

**Mini Album workshop**: More information will follow

Cost: 35€ per workshop, including the materials kit.
