### Scrapbooking workshops by Natasja Verbeek Rolled up mini album

During this workshop we will make this fun mini album which has room for several pictures, but this is more than a mini album! When you have the album all rolled up it's a great piece of home décor! We will make those flowers by hand and those are fun to use on many projects to come! Costs of this workshop € 25,--

### Pixie-Licious

During this workshop we will make two layouts with the enchanted Pixie-Licious line by Cosmo Cricket. Learn that not everything on your layout needs to be straight. That tearing your papers can be quite fun and how you can apply a big hit like banners to your layout! Costs for this workshop € 25,-

Total costs for the day € 50,-
