

## Third Culture Kids Workshop for Parents

Would you like to learn about the effects which the move to another country can have on your child as a Third Culture Kid?

The UWC Maastricht TCK workgroup cordially invites newly arrived parents from the primary and secondary school to an information coffee morning on:

- social-emotional issues related to the international lifestyle, transition issues such as moving to a new country, making friends, attending an international school, coping with change and the importance of understanding the effects of a mobile lifestyle on the development of a child's identity.

**FRIDAY 1st OCTOBER**
